

Article 8C.

Local Plans For Alternative Schools/Alternative Learning Programs and Maintaining Safe and Orderly Schools.

§ 115C-105.45. Legislative findings.

The General Assembly finds that all schools should be safe, secure, and orderly. If students are to aim for academic excellence, it is imperative that there is a climate of respect in every school and that every school is free of disruption, drugs, violence, and weapons. All schools must have plans, policies, and procedures for dealing with disorderly and disruptive behavior.

All schools and school units must have effective measures for assisting students who are at risk of academic failure or of engaging in disruptive and disorderly behavior. (1997-443, s. 8.29(r)(1).)

§ 115C-105.46. State Board of Education responsibilities.

In order to implement this Article, the State Board of Education:

- (1) through (4) Repealed by Session Laws 2011-145, s. 7.13(y), effective July 1, 2011.
- (5) Shall adopt policies that define who is an at-risk student. (1997-443, s. 8.29(r)(1); 1999-397, s. 2; 2000-140, s. 22; 2011-145, s. 7.13(y).)

§ 115C-105.47: Repealed by Session Laws 2011-145, s. 7.13(z), effective July 1, 2011.

§ 115C-105.47A. Proposals to establish alternative learning programs or alternative schools.

(a) Before establishing any alternative learning program or alternative school, the local board of education shall develop a proposal to implement the program or school that includes all of the following:

- (1) The educational and behavioral goals for students assigned to the program or school.
- (2) The policies and procedures for the operation of the program or school based on the State Board's standards adopted under G.S. 115C-12(24). The policies and procedures shall address the assignment of students to the program or school.
- (3) Identified strategies that will be used to improve student achievement and behavior.
- (4) Documentation that similar programs and schools in or out of the State, or both, have demonstrated success in improving the academic achievement and behavior of students assigned to them.
- (5) The estimated actual cost of operating the program or school. To the extent practicable, this shall include the cost of:
 - a. Staffing the program or school with teachers who have at least four years' teaching experience and who have received an overall rating of at least above standard on a formal evaluation and are certified in the areas and grade levels being taught;
 - b. Providing optimum learning environments, resources and materials, and high quality, ongoing professional development that will ensure

students who are placed in the program or school are provided enhanced educational opportunities in order to achieve their full potential;

- c. Providing support personnel, including school counselors, psychiatrists, clinical psychologists, social workers, nurses, and other professionals to help students and their families work out complex issues and problems;
- d. Maintaining safe and orderly learning environments; and
- e. Providing transitional supports for students exiting the program or school and reentering the referring school.

- (6) Documented support of school personnel and the community for the implementation of the program or school.

(b) After the local board completes the proposal under subsection (a) of this section, the board shall submit the proposal to the State Board of Education for its review. The State Board shall review the proposal expeditiously and, if appropriate, may offer recommendations to modify the proposal. The local board shall consider any recommendations made by the State Board before implementing the alternative learning program or alternative school. (2005-446, s. 2.)

§ 115C-105.48. Placement of students in alternative schools/alternative learning programs.

(a) Prior to referring a student to an alternative school or an alternative learning program, the referring school shall:

- (1) Document the procedures that were used to identify the student as being at risk of academic failure or as being disruptive or disorderly.
- (2) Provide the reasons for referring the student to an alternative school or an alternative learning program.
- (3) Provide to the alternative school or alternative learning program all relevant student records, including anecdotal information.

(b) When a student is placed in an alternative school or an alternative learning program, the appropriate staff of the alternative school or alternative learning program shall meet to review the records forwarded by the referring school and to determine what support services and intervention strategies are recommended for the student. The parents shall be encouraged to provide input regarding the students' needs. (1999-397, s. 2.)

§ 115C-105.49. School safety exercises.

(a) At least once annually, each local school administrative unit shall require each school under its control to hold a full school-wide tabletop exercise and drill based on the procedures documented in its School Risk Management Plan (SRMP). The drill shall include a practice school lockdown due to an intruder on school grounds. Each school is encouraged to hold a tabletop exercise and drill for multiple hazards included in its SRMP. Schools are strongly encouraged to include local law enforcement agencies and emergency management agencies in their tabletop exercises and drills. The purpose of the tabletop exercises and drills shall be to permit participants to (i) discuss simulated emergency situations in a low-stress environment, (ii) clarify their roles and responsibilities and the overall logistics of dealing with an emergency, and (iii) identify areas in which the SRMP needs to be modified.

(b) For the purposes of this section, a tabletop exercise is an exercise involving key personnel conducting simulated scenarios related to emergency planning.

(c) For the purposes of this section, a drill is a school-wide practice exercise in which simulated scenarios related to emergency planning are conducted.

(d) The Department of Public Safety, Division of Emergency Management, and the Center for Safer Schools shall provide guidance and recommendations to local school administrative units on the types of multiple hazards to plan and respond to, including intruders on school grounds. (2013-360, s. 8.38; 2015-241, s. 8.26(b).)

§ 115C-105.49A. School Risk and Response Management System.

(a) The Department of Public Safety, Division of Emergency Management, and the Center for Safer Schools shall construct and maintain a statewide School Risk and Response Management System (SRRMS). The system shall fully integrate and leverage existing data and applications that support school risk planning, exercises, monitoring, and emergency response via 911 dispatch.

(b) In constructing the SRRMS, the Division of Emergency Management and the Center for Safer Schools, in collaboration with the Department of Public Instruction, Division of School Operations, shall leverage the existing enterprise risk management database, the School Risk Management Planning tool managed by the Division of Emergency Management. The Division of Emergency Management shall also leverage the local school administrative unit schematic diagrams of school facilities. Where technically feasible, the SRRMS shall integrate any anonymous tip lines established pursuant to G.S. 115C-105.51 and any 911-initiated panic alarm systems authorized as part of a SRMP pursuant to G.S. 115C-47(40). The Division of Emergency Management and the Center for Safer Schools shall collaborate with the Department of Public Instruction, Division of School Operations, and the North Carolina 911 Board in the design, implementation, and maintenance of the SRRMS.

(c) All data and information acquired and stored in the SRRMS as provided in subsections (a) and (b) of this section are not considered public records as the term "public record" is defined under G.S. 132-1 and shall not be subject to inspection and examination under G.S. 132-6. (2015-241, s. 8.26(c); 2018-97, s. 2.4(b).)

§ 115C-105.50: Reserved for future codification purposes.

§ 115C-105.51. (Effective until July 1, 2019) Anonymous tip lines and monitoring and response applications.

The Department of Public Instruction, in consultation with the Department of Public Safety, may develop standards and guidelines for the development, operation, and staffing of tip lines.

(b) The Department of Public Instruction and the Center for Safer Schools, in collaboration with the Department of Public Safety, Division of Emergency Management, shall implement and maintain an anonymous safety tip line application for purposes of

receiving anonymous student information on internal or external risks to the school population, school buildings, and school-related activities.

(c) The Department of Public Safety, Division of Emergency Management, and the Center for Safer Schools, in collaboration with the Department of Public Instruction and the North Carolina 911 Board, shall implement and maintain a statewide panic alarm system for the purposes of launching real-time 911 messaging to public safety answering points of internal and external risks to the school population, school buildings, and school-related activities. The Department of Public Safety, in consultation with the Department of Public Instruction and the North Carolina 911 Board, may develop standards and guidelines for the operations and use of the panic alarm tool.

(d) The Department of Public Safety shall ensure that the anonymous safety tip line application is integrated with and supports the statewide School Risk and Response Management System (SRRMS) as provided in G.S. 115C-105.49A. Where technically feasible and cost efficient, the Department of Public Safety is encouraged to implement a single solution supporting both the anonymous safety tip line application and panic alarm system.

(e) All data and information acquired and stored by the anonymous safety tip line application are not considered public records as the term "public record" is defined under G.S. 132-1 and shall not be subject to inspection and examination under G.S. 132-6.

(f) Notwithstanding subsection (e) of this section, the Division may collect the annual aggregate number and type of tips sent to the anonymous tip line. The collection of this aggregate data shall not have any identifying information on the reporter of the tip, including, but not limited to, the school where the incident was reported and the date the tip was reported. (2013-360, s. 8.40; 2015-241, s. 8.26(d); 2017-102, s. 41.5.)

The Department of Public Instruction, in consultation with the Department of Public Safety, may develop standards and guidelines for the development, operation, and staffing of tip lines. The governing body of each public secondary school may use the anonymous safety tip line application developed pursuant to subsection (b) of this section, or another application that meets standards and guidelines developed by the Department of Public Instruction, to achieve the purposes of this subsection.

(b) The Department of Public Instruction and the Center for Safer Schools, in collaboration with the Department of Public Safety, Division of Emergency Management, shall implement and maintain an anonymous safety tip line application available statewide for purposes of receiving anonymous student information on internal or external risks to the school population, school buildings, and school-related activities. Public secondary schools shall inform students about the application and provide opportunities for students

The governing body of each public secondary school shall work with the Department of Public Instruction, Division of School Operations, and the Center for Safer Schools to ensure that employees of the public secondary schools receive adequate training in its operation.

(c) The Department of Public Safety, Division of Emergency Management, and the North Carolina 911 Board, in collaboration with the Department of Public Instruction, Division of School Operations, and the Center for Safer Schools, shall implement and maintain a statewide panic alarm system for the purposes of launching real-time 911 messaging to public safety answering points of internal and external risks to the school population, school buildings, and school-related activities. The Department of Public Safety, in consultation with the Department of Public Instruction and the North Carolina 911 Board, may develop standards and guidelines for the operations and use of the panic alarm tool.

(d) The Department of Public Instruction and the Department of Public Safety shall ensure that the anonymous safety tip line application is integrated with and supports the statewide School Risk and Response Management System (SRRMS) as provided in G.S. 115C-105.49A. The Division shall ensure that the diagrams and emergency response information are securely stored and distributed as provided in the SRMP to first responders, emergency personnel, and school personnel and approved by the Department of Public Instruction.

(b) The schematic diagrams and emergency response information are not considered a public record as the term "public record" is defined under G.S. 132-1 and shall not be subject to inspection and examination under G.S. 132-6. (2014-100, s. 8.20(b); 2015-241, s. 8.26(g).)
